

MINISTRY & SERVICE AMBASSADOR

Program

HERITAGE

So we are ambassadors for Christ, God making His appeal through us.

II CORINTHIANS 5:20

The mission of the Ministry & Service Ambassador (MSA) Program is to form faith-based disciples who have a servant's heart through learning and teaching of Heritage's core values of radical hospitality, devotion to the Blessed Mother, restoration, service, historic preservation, and community.

With these core values at the heart of our professional development, prayer, and formation experiences, our MSAs will grow together in their faith and relationships with others and be ready to confidently pursue a life of service to Christ and His people in any vocation.

As a Ministry & Service Ambassador, you will be an intricate part of Heritage's faith-based mission of providing a welcoming Catholic environment that offers a sacred place to seek, find, and renew one's faith.

FAQs

What do Heritage Ministry & Service Ambassadors (MSA) do?

- Heritage MSAs commit to a nine-month immersive experience living, serving, praying, and growing in community with other MSAs and the Heritage staff. MSAs, with a servant's heart, will serve the guests at Heritage and the Sharon community at large through our core values of Radical Hospitality, Devotion to the Blessed Mother, Restoration, Service, Historic Preservation, and Community.

Is the MSA program a missionary program?

- The Heritage Ministry & Service Ambassador program is a unique blend of professional development and spiritual formation while living in an intentional faith-based community. Through hands-on experience working in areas of hospitality, retreat logistics and planning, non-profit business management, liturgical planning, and marketing, our MSAs will gain valuable work experience. In addition, our MSAs will have opportunities to grow spiritually through a daily rhythm of prayer and regular formation experiences.

What is the duration of the MSA program?

- The MSA program is nine months in length. The 2024-2025 MSA program will begin on September 1, 2024, and end on May 31, 2025. The MSAs will have a two-week Christmas break from December 21, 2024-January 5, 2025.

FAQs

Do the MSAs receive a paycheck?

- The MSAs will receive a weekly stipend.

Where will the MSAs live?

- An integral part of the MSA experience is living onsite at Heritage, a rural 200-acre property in Taliaferro County, GA, that includes prayer spaces, a chapel, an event center, guest cottages, walking trails, and fellowship spaces. Housing is generously provided by donors and is included as part of the MSA program.

Do the MSAs have to raise their own funds to participate?

- No. Through the generosity of donors, Heritage does not require the MSAs to raise their own funds. We do believe that asking for the financial or spiritual support of family, friends, and parishioners is an excellent way to grow the Heritage community and share the mission of Heritage to help all seek, find, and renew their faith.
